

On a daily basis, the GKAI teachers will continuously work with the children on promoting **reading** and **math** skills. Additionally, they will also educate children on the **fundamental Islamic principles** in regards to our 5 pillars of Islam, Arabic letters, Mannerisms, Prophet stories, and so much more! **Visit ISGtown.org**

Mondays: Special event and activities day, from Hajj workshop to cooking, shows, petting zoo, Olympic day and much more!

Tuesdays: Water Play Days: Children ages 3 and up will play outside with water toys. Be sure your child has a change of clothes, towel, sunscreen and water shoes every Tuesday.

Wednesdays: Field trip days for children ages 5 and up. Children will take half day trips to fun and exciting places to explore Our Creator's creations! Children ages 5 and up need to be to the Center by 9 am on Wednesday.

Thursdays: Science, Technology, Engineering, and Memorizing (STEM) in Islam. Children will learn about Islam through different concepts ranging from the engineering of the masjids to science and technology as revealed in the Quran and opportunities for memorizing the Quran.

Fridays: Exploring Islam in different Countries through cooking and other cultural aspects.
